ABOUT ME

I'm a Web Designer with experience in a fast-paced agency environment, contributing to responsive websites for a range of clients. Backed by a First Class Honours degree in Digital Media Design, I combine strong visual design skills with a solid grounding in UX principles.

Passionate about creating intuitive, user-focused digital experiences, I'm seeking to grow within a creative agency that will challenge me both creatively and technically.

PROFESSIONAL EXPERIENCE

Web Designer

ZOMA Branding Agency (January 2026 - March 2026)

- Designed and refined responsive websites for a range of clients, including eCommerce and service-based businesses, focusing on UX improvements, visual hierarchy, and overall site performance within an agency environment.

Web Design Intern

ZOMA Branding Agency (September 2025 - December 2025)

- Supported the design team and development of client websites, assisting with wireframing, layout refinement, and responsive optimization across multiple live projects.
- Gained hands-on experience in responsive web design within a fast-paced agency setting.

EDUCATION

BSc in Digital Media Design/Interaction Design

University of Limerick (September 2021 - May 2025)

- Graduated with First Class Honours (1.1) in August 2025
- QCA: 3.79/4.0
